If you ordered through another site, such as Amazon, eBay, etc. you can use their return system or ours below.

#### Refunds/Exchanges for Specials and Free Shipping Orders

The original terms must be met for all specials, sales, discounts, free shipping, and price breaks, or the refund will reflect the new pricing. For example, if free shipping was used, the order must still meet the free shipping terms, or the original shipping charges will be deducted from the return amount.

#### Return/Exchange Details

- Item(s) must be in new unused condition with all retail packaging. For example, you cannot put a label directly on a shoe box and ship it back to us. The shoes and box must be put inside another box to ship back to us.
- For exchanges (except clearance), we will ship your exchange back to USA and Canadian addresses at no additional charge (shipping is not covered for international exchanges).
- Clearance items are a great deal and are exchange only. We do not cover shipping for clearance exchanges.
- Refunds will be given in form of original payment for purchase price only (shipping not refunded).
- Any items not returned as part of kits or packages will be considered a retail purchase and will be deducted from the original amount of your order.
- We do not offer refunds/exchanges on items returned after the 30 day refund window.
- Return policy does not apply to bulk and special orders.
- Ebooks are non-refundable, as there is no way to physically return the product.

#### Special Circumstances

Sometimes there are special circumstances. Let us know. Remember, we are human and have feelings too. Sugar will get you further than vinegar, and flattery will get you everywhere!

Sometimes we make mistakes (how embarrassing!). If you find a mistake, please contact us so that we can correct it as soon as possible.
