

Beachcombers Bazaar's Central Florida & Orlando Area Henna Tattoo Artists

We get asked to do henna often, but running Beachcombers Bazaar leaves very little time for us (meaning me, Jody) to do henna for parties and functions.

For **do-it-yourself henna**, visit our [Orlando Store](#) or [our website](#) to pick up products and easy-to-use henna kits.

Orlando has a wonderful talented henna community. Below is a list of local henna artists in central Florida. This is by no means a complete list, but it's a good place to get you started. A range of artists are represented from new artists, to nationally known professional artists. ❖ This symbol represents professional long-term henna artists. Have fun!!

Tell your henna artist that you found them through Beachcombers Bazaar!
